Summary:

Empowering Bangladesh's youth through technology education and digital innovation. As Executive Adviser & Creative Director at Next IN, I strive to build a smarter, stronger Bangladesh by making coding, AI, and job-ready tech skills affordable and accessible in Bangla—especially for underserved and rural communities.I bring a rare combination of creativity, leadership, and digital strategy with 8+ years of experience across marketing, education, and platform development. With a strong belief in tech-powered transformation, I work to inspire the next generation of digital leaders.

Professional Experience:

Next IN Technology Platform | 2023 – Present

- Leading strategic advisory and creative direction for Bangladesh's premier tech education platform.
- Developed brand identity, course structures, and outreach strategies in Bangla for maximum accessibility.
- Spearheaded AI and coding curriculum to empower rural learners with job-ready tech skills.
